### Dried Flower Crafts

The first **Kids' Nature Craft Night** will be held at 6:00 p.m. Monday, July 19. Registration is not required but is recommended to ensure that enough supplies are brought for the number of children present. RSVP at [Nature Craft Night – Craighead House](#)

### Carlisle Indian School

Craighead House visitors receive a special treat on Wednesday, July 21 when Janeal Jaroh of Time Traveling Trunks makes a presentation about the **Carlisle Indian School**. Craighead family members were early supporters of Carlisle Indian School and hosted numerous students on their outings. The interactive program, which is aimed toward upper elementary and middle school-aged children, begins at 10:30 a.m. Children of all ages are welcome.

### Volunteer Opportunity for a Booklover

Craighead House has accumulated a number of books that need to be catalogued, organized, and put on display. We also operate a Little Library. Email [info@CraigheadHouse.org](mailto:info@CraigheadHouse.org) if you are interested in putting the collection in order.
